The Fleckenstein cover from New York July 28  
(1857? but surely)

S.B.A. wrote J.G.F. June 29, 1944:

"Here is a cover with a single 1¢ 1857, Type IA, which I can offer you for \$250.00. The cover in the Gibson sale sold at \$420.00 and while this is not quite as fine I think it is no doubt worth \$250.00. It has two faults, viz: a little close at left and a trifle heavily cancelled, but the price well discounts these two factors."
