Re - 3¢ 1857 "Imperf Between"

Heliger de Windt wrote 9/10/50:

"For your records - 3¢ '57 - part perforated -  
Type I - cover of Sylvester Colby's auction catalogue - Tuesday & Wednesday April 22 & 23, 1947  
Picture of 3¢ '57 - imperf horizontally cancelled  
Nov. 2, 1857 - and well tied on piece with "Great  
Barrington, Ms." Wish I owned it - its a honey!"  
(still quoting from De Windt's letter)

"The Boylston stamps "Pearl Harbor"

In the material stolen from the Boyston Stamp Co.  
on June 26, 1939 -

20 - 3¢ 1857 covers imperforate horizontally #44C  
all on covers from Portland, Me - and addressed  
(over)

to Dana Bros. Boston.

These we had plated by Dr. Chase and, I think, five made an irregular block - and 3 more a strip. All were from the same plate and, undoubtedly, from the same sheet. Some day those should turn up. I bought the lot myself - and know where they came from."
