3c 1857

Plate 11L

Chase wrote Sep. 26, 1946:

"I return herewith the pair of 3c 1857 Type II which turns out to be 6 and 7 L11(L). I am very glad to have seen it as I have never seen a 6 from any state of the plate excepting as single copies. I had plated it by a process of exclusion."
